

2.5" x 8"
Porcelain tile
Made in Spain

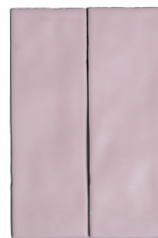

Carmen is a glazed porcelain tile collection. Suitable for floor and wall both interior and exterior. Available in glossy and matte finishes. Utilizing the aesthetic of a 2 1/2" x 8" rectangular shape, can be used to create on-set or off-set, horizontal stacked, vertical stacked, diagonal, herringbone, double brick or triple brick patterns. The surface finish as well as the edges replicate a hand formed cotto body, therefore slightly irregular. Juxtaposing modern colors and installation patterns with a handmade body look. The versatility of porcelain will allow multi-use application, and cater to multiple design concepts for walls and the floors. Made in Spain
